Petition of Ezekiel Cheever, schoolmaster, to the court: "Whereas Capt. Thomas Lowthrop, who lately lost his life in y^e service & cause of God & his countrey, being his wives' own,

dear, naturall brother, dying intestate, & without issue, he humbly conceives himself on y^e behalf of his wife to be y^e true, naturall, proper heir of his estate left, & therefore his duty to make his humble address to this Honoured Court, that he may declare & legally plead y^e same. To which end || he came || & attended y^e court neer a weeks space, But y^e Court by publick occasions of y^e Countrey being necessarily adjourned, he was forced to return home, & resolved (God willing) to attend y^e Court, y^e time appointed. But by y^e providence of God, y^e season being extraordinarily stormy, & himself under bodily infirmity, he could not possibly come without apparent hazard of life, limb or health. Yet had cautiously left order, & instructions for his son to appear for him in such an exigence which accordingly he did, though not in season, being by the same providence also hindered. So that the Honoured Court (no heir appearing) granted Administration to his sister Lowthrop, according to what then appeared. But seing y^e estate was not then settled, nor y^e case fully issued, many things alledged being dark & dubious & nothing proved, & he hath much to say, to invaledge y^t very writing given in, & y^e seeming force of it. He humbly requests this Honoured Court, that being a party so neerly concerned, and interested, he may have y^e liberty of making & pleading his claime, & title according to law. And for y^e better securing of what shall be judged to be his right, he may be joynd together with his sister Lathrop in administration of ye said estate."

Bethiah Lowthropps statement: "My deare husband neuer spake word to me concerning the giuing of any of his Land Lying in the woods to his sister Cheeuer her children. But only that Lying in the woods about Snake hill. But seriously considering my deare husbands expressions I doe conclude he gaue the plaine & the pasture by it together with the Land at Snake hill to his sister cheeuer. for thus my dear husband was pleased to expresse himselfe to me as we Rode together to wenham the last spring in the week before the court of election. Speaking to mee concerning the disposeall of his land as he had formerly done, he said the house Lot I gine to the towne for the use of the ministrey not to any particular person. But to the town for the use of the ministry hoping it will be an acceptable seruice to god. And as we were Riding ouer part of his Land belonging to Snake hill he said this Land here I intend for my sisters children except god take my Brother cheeuer away before my sister, then it

shall be for her use as long as she liueth, & afterward for her children, whereupon I doe conclude he gave the other land mentioned which lyeth but a little way from it to his sister, else that at Snaak hill would not be so usefull for my sister if god should be pleased to take my Brother away before her, & so I haue faithfully declared what I apprehend was my husbands will & pleasure concerning this matter which he said he did intend to put in writting. But the prouidence of god was pleased to prenent it in calling him forth upon public seruice."

Bethiah Lowthropp's statement: "Whereas it is expressed By my Honoured Brother M^r Ezekiel Cheener that my deare husband did not willingly take Sarah gott into his house but was perswaded & preuailed with by others to doe it, Humbly Requesting leaue, I shall humbly present the Honoured Court with the whole truth concerning this matter. When the childs mother was dead my husband beeing with mee at my cousins buriall & seeing our friends in so sad a condition the poore babe hauing lost its mother & the woman that nursed it being fallen sick, I then did say to some of my friends that if my husband would give me leaue I could be uery willing to take my cousins little one and nurse it for him a while till he could better dispose of it. whereupon the childes father did mooue it to my husband. my deare husband considering my weaknesse & the incumbrance I had in the family was pleased to Returne this Answer. hee did not see how it was possible for his wife to undergoe such a burthen. the next day their came a friend to our house a woman which gaue suck & she understanding how the poore babe was left beeing Intreated was willing to take it to nurse and forthwith it was brought to her. But it had not bin with her 3 weekes before it pleased the Lord to visit that nurse with sicknesse also and the nurses mother came to me desiring I would take the childe from her daughter, and then my deare husband obseruing the prouidence of god was freely willing to Receiue her into his house. But she was then Receiued only as a nurse child & so she Remained aboue a quarter of a yeare before her father did tender her to my husband to accept of her for his Adopted Child."

Left. William Dixie deposed that coming to Capt. Lawthrope's in the time of his last sickness, Mrs. Lawthrope and Mrs. Got went out of the room, and Capt. Lawthrope said to him, "I am glad you are come for I would have you to take notice: that I give unto my wife all my estate so long as she

liveth: and after her decease I giue unto the Ministry of Beverly: my tenn acre lott at home and my house upon the same." Upon asking him if he had acquainted his wife with it, he said he had and that she approved of it. Also he said he gave the ground in the woods to his sister Chevises children: Sworn in court.

"My wife affirms that her brother hath oft spoke in her hearing dissatisfiedly concerning Noah Fisk being brought to his house, when his mother was very weak, & not able to look after him being very weak also, y^t he never knew upon w^t termes he kept him, & wondred what they did intend to do, she saith Lieut. Dixey told her, my brother told him when he had brought him up fit to go to apprentice, he had done, he should do no more." [Testimony of Ezekiel Cheever?]

Reasons for the claim of the wife of Ezekiel Cheever: 1. "It does not appear, that my brother ever set himself seriously, as the thing requires, to make his last will. But all that is said, is, that he expressed such and such purposes at such times, but purposes and actions are different things. 2. No man but in case of absolute necessity, when he is surprized by sudden weaknes and inability, will make such a nuncupative will, and then he will do it in the surest and strongest way that may be, by postive and peremptory declaring it his last will, and confirming it by sufficient witnesses that are legall. But in this case no such thing is found. 3. The persons testifying in this case are persons concerned and interested, and not so competent witnesses in law in any case, much lesse in such a weighty one. as a last will and testament. Beside they agree not in their testimony, but in some things directly contradict each other, which does demonstrate that either they mistook my brother, and he never expressed such purposes and desires, or that his purposes and desires altered. 4. It seems to be an act of prudent and deliberate choice in my brother not to make a will For (1) He was oft importuned to it by my sister, but did it not. (2) He had warning of death by a long and dangerous sicknes last winter, in which, after some degree of recovery, he had severall relapses. (3) After that by the mercy of god he was recovered to perfect health, he had time sufficient for such a work, if he had judged it expedient. 5. I conceive that the true reason of his not making a will was, he could not do for his own sister, and her children, what he thought was most just and right, and they might be likely to need after the decease of his brother Cheever; but he should displease his wife, and her relations,

who would be expecting more, though he had done in his lifetime so much for them: and nothing for his sister and her children. And he well knew the equity and justice of the law which makes provision for the widow and the next of kin, but nothing for strangers, as also the faithfullnes of the magistrates in doing things according to law. 6. The matter which they testify is so unjust and unreasonable, that none that knew my brothers goodnes and love will beleive, that my brother would be so unnaturall to preferr strangers before his owne naturall sister and her children, whom he so dearly loved, as many that knew them both can abundantly testify. 7. My Brother, when he brought his sister from England with him from all her friends and relations very loth to part with her, used this as a great argument with her Mother to perswade her. Viz: That he had no children of his own, nor was likely to have any: and otherwise he must giye what he had to strangers. And her mother told this to friends in her hearing, that that was a great motive that induced her to be willing to part with her; and committed her to the love, and care of her brother as a Father, with great confidence and assurance of his tendernes toward her. 8. His sister by coming over, lost the value of twenty-five pound, beside what her mother would have given her at her decease. 9. My brother having one of their relations with him already. viz. Noah Fisk whom he brought up from a little one was unwilling to take Sarah Gott: but was importuned, and prevailed with to take her, not upon loose terms, as he did the other, but as his own: so that her father might not have power to take her away from him, when she might grow up to be serviceable, as is oft done in such cases. As for her calling them father and mother, it is no more but what is ordinarily done to nurses or servants, and what another, whom he had brought up before, was used to do, who went away from them, when she might have been serviceable to them. My sister brought no estate with her, as I ever heard of, hath no charge, her husband by her own confession gave her none of ye land to dispose of as her own."

Essex County Quarterly Court Files, vol. 24, leaves 50-55.

Court 27:4:1676, gave judgment upon the settlement of the estate of Capt. Thomas Lothrop, of which Bethiah, the widow, was administratrix, being moved by the petition of Mr. Ezekeiell Cheevers, as follows: that all the estate remain in the widow's hands during her life; after her decease, the farm called Maj. Hathorn's to be Sara Gott's; the housing,

ten acre lot and appurtenance, after the widow's decease, to be for the use of the ministry in Beverly forever; that the debts and legacies were to be paid, and the lands and meadows expressed in the inventory, being understood to be the lands in the woods, after the decease of the widow, were to be given to Ellenor, wife of Mr. Eze. Cheevers and her heirs; the rest of the estate to be sold for the benefit and disposal of the said Bethia.

Upon further consideration, court found that Capt. Lathrop intended the legacies of 40li. bequeathed to Noah Fisk and the four youngest children of Joshua Rea should be paid out of the land in the woods towards said Rea's farm, which is part of that land assigned by the court to Mr. Cheevers. It was therefore ordered, with the consent of Mr. Grafton and his wife, the relict of the said Capt. Lathrop, that Mr. Cheevers should have present possession of all the lands formerly allotted to him by this court, excepting only the land in Beverly belonging to and now used with the house there, said Cheevers paying the legacies of 40li.; also that what disbursements should be laid out upon the house and land in Beverly by Mr. Grafton, should be repaid by the said town to whom the house and land were given, after the death of Mrs. Grafton. This judgment was to be submitted to the General Court for approbation.

Salem Quarterly Court Records, vol. 5, leaf 95.

The act of the County Court at Salem, June 27, 1676, being presented to this Court, determining the settlement of the estate of the late Capt. Lathrop, this court Oct. 15, 1679 confirms and allows the same.

For a final settlement of the estate of Capt. Lathrop, this court June 11, 1680, having heard the several pleas, determine that the widow, now wife of Joseph Grafton, have the moveable estate and to pay the said Lawthrope's debts and twenty pounds to the children of Joshua Rey; also to have the use of the houses and lands during her life, at her death to revert to the wife of Mr. Ezekiel Cheevers and her issue, the heirs of the said Capt. Lawthrop. The costs for the hearing was five pounds which Mr. Ezekiel Cheevers paid.

The court Oct. 13, 1680 ordered that no alienation should be made of the reversion of the said Lawthrope's lands and houses during the life of his widow; but if there should appear need for her relief she may make application to the Court of that county, who are empowered to order the sale of

any part thereof as to them may appear necessary.

Mass. Bay Colony Records, vol. 5, pp. 252, 298.

Agreement made between Ezekiel Cheever of Boston, gentleman, in behalf of Ellin his wife (sister of Capt. Lathrop late of Beverly) and the children he hath had by her, as the proper heirs of the said Capt. Thomas Lathrop on the one part and Joseph Grafton of Salem, mariner, in right of Bethiah his wife relict and administratrix of the estate of sd. Capt. Thomas Lathrop, on the other part, relating unto the estate left by Capt. Lathrop as of right belonging unto the said Ellin, and her children and for a final settlement of the same; that Ezekiel Cheever shall pay unto Joseph Grafton 60li. in consideration whereof Joseph Grafton and his wife Bethiah relinquish all their right in said estate of housing and lands left by Thomas Lathrop, and they shall enjoy the estate clear from all debts owing from said estate and bequests pretended to be made by him. Signed and sealed, Nov. 30, 1680.

The true meaning of the above is not that Mr. Grafton and his wife shall make good in law, the just title of any part of the aforesaid lands against any that may lay claim thereto, but only to give in any legal evidence they can to the justices of any controversy about them.

Attested in Ipswich court Sept. 25, 1677 by John Browne to be a true inventory of his father's estate.

Essex County Probate Files, Docket 3,614.

Petition of John Browne to the Ipswich court Apr. 1, 1679, shewing that when the court settled the estate of his father, they were not rightly informed of his father's mind, nor in what condition he left his estate which causes the petitioner to inform the court how his father determined his estate should be disposed of and what he gave in his lifetime to his brothers and sisters: he settled my brother Nathaniell upon a better estate than he left to me, he gave 30li. to my sister Martha Thorne and willed that I should pay to her 20li. more, and he gave to my sister Sarah Jacobs, 50li. and this was all my father intended and willed that they should have, but as it is now settled the least of them will have more then may prove to be clear from the estate to me; for the estate my brother Nathaniell now possesses I paid 150li. of the purchase and when my brother married my father desired me to let him have my interest in the estate which I did whereupon my father promised me the estate he lived upon after his decease. Administration upon the estate was granted to me and the court ordered that I should allow my mother 16li. per year and I was willing so to do, but it was not his will that I should pay to my sisters 10li. a peice more and give to my mother 21li. for her disposal, and the estate is left with debts to be paid and my mother is now living with my sister Sarah to whom the 16li. must be paid, and he desires the court to so order the estate that he will not haue to pay the amounts to his sisters and to lessen what he will have to pay to his mother.

Deposition of Nathaniell Browne aged about 25 years that his father said he would "give to your brother John all my

Liueing boath Land & stock afture my desease, onely he shall mainetaine my wife and pay to my dafture Martha Thorne twenty pounds for said my Father I haue giuen to you all that I intend you shall haue and I haue paied my dafture Sarah Jacobs Fivety pounds and that is all that shee shall haue, and I haue paied to my dafture thorne thirty pounds and twenty pounds more my sonn John shall pai to her if I should not Live to paie it."

Mary Lamberd, aged 20 years, testified that she heard her master Browne often speak the words above written.

Sworn in Ipswich court Apr. 1, 1679.

The deposition of Andrew Burlay aged about 21 years that when he lived with old goodman Browne he often heard him speak concerning what he had given to his son Nathaniell Browne and unto his daughters Martha and Sarah, and that his son John should have all the estate which he had then in his possession, etc. Sworn in Ipswich court Apr. 4, 1679.

Essex County Quarterly Court Files, vol. 31, leaves 17, 18.

Upon the complaint of John Browne to this court, it was ordered Nov. 6, 1678, that he should not pay the two ten pounds to his sisters until the March court next and then the court will consider of it.

Ipswich Quarterly Court Records, vol. 5, page 339.

Whereas by order of court held at Ipswich Sept. 25, 1678, John Browne was ordered to pay unto his two sisters Martha and Sarah ten pounds a peice and twenty one pounds to his mother, upon the consideration of the petition of thesaid John Browne and the testimony of Andrew Birdley, Nathaniell Browne and Mary Lamberd the court Apr. 1, 1679, sees cause to release him from paying the same.

John Emery, Jr. confirmed this testimony Feb. 28, 1677 before Jo. Woodbridge, com.

Salem Quarterly Court Records, vol. 5, leaf 117.

Samuell Shattock, sr., aged about fifty-eight years, deposed that he was often with Edward Wharton in the time of his sickness, the latter having desired him to look after his estate as per a writing under his hand, and was of good understanding when he spoke as follows: "he said he would giue five pounds towards a burrying place, and he said he did giue to Mary Trask the wife of Henry Trask five pounds: alsoe he did giue to Hannah Sibly widdow five pounds: alsoe he did giue to Sarah mills & her children ten pounds, all which he often expressed in the time of his sicknes, & as he drew neere to his end: he expressed the same before other witnesses: and I asked him what should become or how he disposed of the remainder of his estate, after all things were cleered, as debts & legacies he said it should goe to his Brothers. Samll. Shattocke, James Mills." Martha Robinson affirmed as in the presence of God and this court 27:4:1678, before Hilliard Veren, cleric. "he alsoe told me that his vice should be returned to England amongst his kiured, for he said it was his fathers before him & it should be returned into the Genera-

tion & that his eldest brothers son bore his fathers name & he should haue it."

"And further he said as for his tractt of land lying at Shrewsbery at New Jarsy: which he purchased with other purchasers, of the Indians, he told me he had sold one half of it, when he was in England to one John Harwood marchant in London & had taken pay for it & further said he had ordered one John Starke to settle upon it & soe to keep it in possession for him & his freind the other partner, & told me he would giue him twenty acres of land in his will. Samll. Shattocke and James Mills. Samuell Shattock, sr., affirmed as in the presence of God and this court, before Hilliard Veren, cleric.

"And further the said Edward wharton did exspress himselfe and say that John winditt a youth which he brought with him out of England: viz: his sisters sonn (whome he tooke as his owne & did intend he should share in part of his estate, as he haue exspressed to some) the said Edward wharton, being asked when he was like to dye, if the said youth should be sent to England to his mother he answered yea (& I doubt not but he intended the boys mother should haue a part of his estate as alsoe the youth) but being after six weekes Illnes (not app^rhended dangerous) he was taken in very great exstremety & after that liteness of head, that he was unable of making an orderly will, & though I was with him often in order there unto, but he would put it of untill another time, hoeping he might gett up a day or two to looke after som writing, & to understand his estate the better before disposall (as I did Judge) by which meanes things were deferred, but not app^rhending his condition soe dangerous, as it after proued, I was not soe urgent upon him about his will as other wise I should haue beene he was taken uery sudent about three dayes before his death only one smale respitt he had, in which before senerall witnesses he confirmed the four legacies & the remainder to his brothers as is before exsprest."

Samll. Shattock certified that "Divers other smale legacies he gaue to severall that came to see him in his sicknes neere his end; & forty pounds to the youth but in these things he was || not || soe distinct in his understanding as when he exsprest the last aboue written, it being in the time of the two or three last days he liued || before his end || & I canot giue Testimoney to it as his will, he not being of a disposing mind."

"Edward wharton haue two brothers in England by father

& mothers side: & one brother & sister by the mothers side: & this brother is in verginea. he dyed ye 3^d of ye 1st month 1677-8."

Ipswich Quarterly Court Records, vol. 5, page 339.

Petition of Frances Quilter, widow, and of Robert, son of Marke Quilter, late of Ipswich, to the court at Boston, May 28, 1679, that whereas the husband of the petitioner died possessed of an estate valued at 600li., considerable part of which was money, and was chiefly the product of what your petitioner brought to her husband as a portion given her by her father Richard Swan, and also of their hard labour for about twenty three years that they lived together and her husband having died without making a will, and in attempting to when his reason and understanding had failed, was prevented by death, from finishing, and yet, the writing was presented to court, and administration was granted to Joseph Quilter, and he taking the greater part of the estate, the petitioner asks for consideration of her condition that she may have enough for her support.

The reasons of the widow Twilters address to the General Court: 1st. Concerning the will by which Joseph Twilter as

administrator did proceed, it was neither the will nor the mind of the deceased, because he was not in a disposing capacity. Witness: Ann Pegey, Dorothy Woodman, Dr. Bennett, Joseph Bennett. 2d. He was prevented by death, before he had said what he would. Witness: Simon Stacy, Ed. Lummax, Tho. Willson, Dorothy Woodman. 3d. Some things named by him were not put into the will, one of which was, the widow to have her portion to dispose of at her death. Witness: Simon Stacy, Edw. Lummax, Mary Kimble, Robt. Swan. 5th. That one of the witnesses was deaf and could not hear what he said, and the other witness could not well understand. Witness: Lummax, Stacy, Tho. Wilson, An Peggey, Dorothy Woodman, Robt. Swan. The land and homestead was bought with the widow's portion that she had of her father. Witness: Decon Pingrise, Rich. Shatchwell, Mary Shefeld. The money taken out of the thatch was not given to Joseph Twilter, but only to fetch it. Witness: Ann Peggey, Edward Lummax, Simon Stacy, Dorothy Woodman.

Petition of Francis Quilter, widow of Mark Quilter, to the Ipswich court, that they would order the settlement of her husband's estate, and presenting reasons why that which is presented as his will should not be so accepted; and also that the administrator hath not given in a true inventory of the estate, there being 200li. not inventoried, and the whole estate amounting to 600li., your petitioner having but 145li. 16s. 6d. for her use. Robert Swan and James Barnet testified that this petition was presented to the Ipswich court.

A note of some estate of Marke Quilter's that was not in the inventory: Six Akers of marsh, 30li.; Larance Clenton Debter by bill, 7li.; Joseph Quillter sewes for a debt in book a bill of 6li. 10s. of John Wits; Joseph hath a booke of severall Debts that I Doe not know what they are Debts that I knew of that hee had no bill for; Thomas Hart hath payd 20s. but what more I do not know; Thomas Lule, 2li. 4s.; John Broocer, 1li. 2s.; Thomas Gidins, 1li. 10s.; Epheram Felows and Many more that are in debt that my husband did not acquaint me with the sum, besides the money yt Joseph Quilter carried away and which Goodman Lomas told him ought to bee put in the inventory, and also several papers that Joseph Quilter put in his pocket and did not have them inventoried.—Witness, Dority Woodman, Mary Kimball, Frances Quilter.

John Newmarch, Richard Shatswell, aged about fifty two years, Moses Pengry, Sr. of Ipswich, aged sixty seven years, John Edwards, aged about forty years, John Shatswell, aged about twenty six years, Marsy Warner, aged about thirty eight years, David Bennet and Joseph Boynton, aged about thirty years, testified in court June 2, 1679, concerning the settlement of the estate of Mark Quilter.

In the case of Francis Quilter, widow of Marke Quilter of Ipswich, concerning a settlement of the estate of the deceased, the deputies find that said Quilter died intestate and that the pretended will presented to this court ought to be accounted null and void, and that the widow have the use of the whole estate during her life, and at her death one half to be disposed of as she sees good, and the other half to the relations of her husband, to be ordered as the County Court at Ipswich shall see meet. Consented to by the court, June 11, 1679.

“A codicil testamentary to the last will & testament of Samuel Symonds gent which will beareth date the sixteenth day of February Anno Dom. 1673: Whereas in that my will I bequeathed to my sonne Harlakinden Symonds all my part of my farme at Lamperle River with the Sawinge Mill thereupon erected with all the utenses & app^ttenances thereunto belonging, with all my part of the howses thereunto belonging and alsoe one halfe of all my part of the meadow & upland lately laid out to me which the honrd Gen^{ral} Court lastly granted to me lyinge beyond the Bounds of Dover & mostly beyond the Bounds of Exiter, and alsoe all my liberty in the lands of Dover, which I lately purchassed of Robert Wodley with all its singular priviledges & appurtinances To have & to hold the p^rmisses to him the said Harlakinden during his naturall life and to the heires of his body lawfully begotten, male or female and for want of such heires to remayne to the said Harlakinden & his heires forever: Now therefore I doe hereby disanull & revoke all this my gift to my sonne Harlakinden as for Terme of his naturall life and doe give him all the p^rmisses to have & to hold the same together

with all & singular its appurtenances to him the said Harlakinden Symonds & his heires & assignes forever. Alsoe whereas I bequeathed in my Will to my sonne Harlakinden Symonds my fourth part of the sawing mill on Lamprele River with all its priviledges & appurtenances the pvidence of God hath soe ordered it that the mill it self hath bene fired & wholly ruined by the enymy and soe made unprofittable for the p^sent: and considering that my sonne William Symonds who is my executor is in my debt for rent for my said mill more then the building & finishing the fourth part of the said mill will cost, my will is that when the rest of the owners doe rebuild & finish the saide mill that then this my fourth part soe bequeathed be alsoe carried on to the finishing of the same at the onely cost & charges of my sonne William Symonds for the onely use of my sonne Harlakinden Symonds. Alsoe considering what lands I formerly have given to my sonne Harlakinden, and that I highly esteeme this at Lampreele River. My advice & desire now is that he doth not sell, or putt it away or any part of it unlesse extreame necessity compell and that he doth what he doth in reference to the mill &c with very good advice and though I have gained very little by it, yet if he can waite, & peure honest dealing workmen he will finde sufficient recompence for his waiting, for there is store of timber with that which is added to it from Dover, & the meadow & the Court gave me up into the country. In wisse whereof I have hereunto sett my hande & seale the thirteenth day of January 1676.”

“A codicile testamentary which is added to the codicile bearing date the 13th day of February 1676, which refereth to my last will & Testament dated 16th of February 1673. I Samuel Symonds being in good health of body & of good understanding (blessed be God) thought good to add by this codicile annexed to the former bearing date as above. I say some consideracons moving me thereunto I give to my sonne Harlakinden five pounds (in comon pay) per and during his naturall life, to be paide by my executor: Provided that if in the life tyme of my sonne Harlakinden my loving brother m^r Richard Fitts Symonds decease in the interim and be bountifull to my sonne Harlakinden (which I believe he will) and

bequeath to him more then the value of five pounds per anno. ; Then my will & minde is, That this five pounds shall cease and that my executor thenceforth be wholly free from the payment thereof. In wittnesse whereof I have hereunto sett my hande & seale. Dated November the eighth day 1677."

"This third codicill testamentary I Samuell Symonds doe now add to the former, which refereth to my will dated 16 day of February 1673. The occasion & reason of my soe doeing is because I mistooke in my date of my last codicill viz. I dated it 13th day of February 1676, which should have bene January 1676. Alsoe whereas I have mentioned in my will 100^{li} to my daughter Martha Its onely named I doe not thereby give it, for I have given my bond for it for that mention is voide. The reason why I make these codicills is to spare writings being longe Dated January 8th 1677."

Petition of Daniell Epps to the court June 27, 1679, that there may be an inventory taken of the estate of our father Samuell Symonds, as it now is, it being near eight months since his decease, and our brother William Symonds dying intestate about one month since, and little being performed by him, as executor, of the considerations in the will enjoined.

The petition was granted, and Mr. Daniell Epps, sr., ordered to take an inventory of the estate as it now is, and to give in an account to the next court at Ipswich that further order may be taken.

Salem Quarterly Court Records, vol. 5, leaf 129.

An account of particulars was delivered unto Daniel Epps and Harlakenden Symonds by order of Richard Martyn, by the marshall Robert Lord, jr., and read to our sister Symonds, Robert Kinsman and Samuel Ingalls being present in all the aprizements and deliveries, as witnesses, Nov. 12, 1679.

Upon the petition of Mr. Daniell Epps, sr., administration upon the estate of Samuell Symonds, Esq., was granted 25:9m:1679, unto Mr. Daniell Epps, Mr. Harlackenden Symonds, and Mrs. Rebecka Symonds relict of said Samuell, and Daniell Epps gave bond of 1000li.

Mr. William Symonds late executor to the will of Mr. Samuell Symonds, Dep. Gov., dying intestate, and making no provision that the legacies of the will might be fulfilled, administration upon the estate was granted June 18, 1680, to Mrs. Rebecka Symonds widow of Samuel, Mr. Harlackenden Symonds, his eldest son, and Mr. Daniell Epps, husband to Elizabeth, his eldest daughter living. They gave bond of 1000li. to administer according to law, the farm Argilla to stand engaged for the payment of the legacies.

Mr. Daniell Epps, sr., administrator, presented an inventory of the estate of Samuell Symonds, Esq., and attested to the truth thereof in Salem court 30:9:1680. After all debts and legacies are paid, he is to attend the order of the court in the distribution of said estate.

Salem Quarterly Court Records, vol. 6, leaves 6, 13.

Rebecha Symonds, widow of Samuel Symonds, testified Oct. 22, 1679, that before the death of Samuel Symonds, jr., her husband spoke to her about settling his lands upon his son William Symonds, and declared that he desired so to settle them as that the wife of said William, might not claim her thirds in the lands, and purposed to that end to consult Mr. Bellingham, the then Governor, about it.

Petition of Rebecha Symonds, relict of Samuel Symonds, late Dep. Gov., to the court Oct. 23, 1679, that an administrator may be appointed upon the estate of her husband, and that they would choose some of her late husband's own children or son-in-law, if the court see not meet to admit them as heirs, and not leave her and her concerns to the care of strangers.

Petition of Jonathan Wade, May 14, 1681, in behalf of himself and Mary Simonds his daughter, joint administrators to the estate of the late William Simons of Ipswich, showing that by the will of Samuel Simonds, Esq., there was devised unto said William Simonds a farm called Argilla with other estate to enable him to pay certain debts and legacies as expressed in said will, and that he sold much of his own estate in order to pay the legacies, to save said farm Argilla entire. William dying intestate, administration was granted unto his widow Mary Symonds, and your petitioner in her behalf, and they were in possession of that estate as belonging to said William, and according to an order of the General Court in Oct. 1679, said estate was taken from them and put into the hands of other children of Samuel Symonds, and upon another hearing in May, 1680, the order was reversed, and the estate left as before, which however, has never been performed, and they desire the court's consideration of the case and a final issue thereof, that no more uncertainty may remain.

In answer to the motion May 26, 1681, of Jonathan Wade in behalf of Mary Symonds his daughter, the court for a final issue of the matter ordered that the estate of the late Samuel Symonds, Esq., and the farm Argilla, be committed into the hands of the administrators to be in behalf of the children

and heirs of said Wm. Symonds, they to give bond of 1000li. and the farm Argilla liable to the payment of the legacies and bequests in the will of Samuel Symonds, and to repay unto Harlakenden Symonds and Mr. Epps late administrators to said estate, what they paid of said legacies during their administration.

Petition to the court Oct. 14, 1681, of Harlakinden Symonds, the only surviving son and heir of Samuel Symonds, that there may be a speedy determination and ordering of the estate of his father by the court.

In answer to a petition of Mrs. Rebeca Symonds the court Oct. 25, 1681, ordered that the farm Argilla be put into her hands and of Mr. Harlakenden Symonds and Mr. Eps, who are to improve said farm and receive all profits, that the surplus may be returned to those to whom it doth of right belong.

Essex County Probate Files, Docket 7,260.

James Davis, jr., in open court renounced executorship according to his father's will, and the rest of the relations being absent, the court Apr. 8, 1679, appointed him administrator to the estate of his father James Davis, sr., late of Haverhill, he giving bond of 200li. to present an inventory.

It being moved to this court that a settlement may be made of the estate of James Davis, sr. of Haverhill, the court Nov. 11, 1679, judge that the will be attended to by the administrator, and ordered him to act according thereto with relation to legacies therein mentioned after the next court, unless at that court the estate not granted in legacies and the debts due from the estate be computed, at which time he may bring in his challenge if it shall appear that there is need of proportionable abatement to be made out of the legacies which shall then be attended to.

The declaration made to the court at Ipswich, Mar. 30, 1680, by Nath. Saltonstall and William White, in prosecution of the request of James Davis, sr., of Haverhill in his will, which was urged to be attended unto, and in obedience to the desire of the court at Salisbury, that we having considered their several writings and pleas, now give in our decision about the estate leaving the whole to this court's determination: that James Davis the appointed executor and now administrator to his father's estate, do according to the clauses hereafter mentioned attend to the will, we not finding sufficient ground to take off from any legacies to give to him, for though he is not put in as others with a particular legacie, yet we find that what hath been in his hands to manage will be sufficient to satisfy him for his claim; the meadow in Samuel Davis' hand and upland adjoining to the 30 acres given Ephraim Davis by deed and will, we judge ought to be settled in law upon the administrator and James Davis,

sr., deceased. having formerly as agent, by letter from his son John Davis, made sale of his land which he left at Haverhill upon his removal to Pascataqua about twenty years since, which John seems now to deny because the order to his father cannot be found, and threatenings are made thereupon of the administrator, therefore we judge that the administrator shall have and keep all that was given by will to John Davis and his children for restitution of intended damage, unless said John and his wife give a legal discharge to James from any molestation about the father's estate; also that the debts any of the rest of the children of James Davis may present for his care etc. be cancelled and not recoverable of the administrator, otherwise their said debts ought to be deducted out of the legacies given to the other brethren and sisters or relations. The court ordered this return to be accepted and allowed, unless any appear at the next court to show cause to alter the same.

“In the name of God Amen. I Thomas ffrench senio^r. of Ipswich being weak of body yet of perfect understanding and memory doe in case of death make this my last Will and Testament. In the first place I commend my Soul into the hands of Almighty God who hath redeemed it by the precious blood of his Son; and I commit my body to the Earth, whence it was taken, to be buried in a Christian decent manner by my friends in hope of a blessed resurrection to eternal life. And as for my outward Estate which God hath graciously given me in this world I doe thus dispose of it: inprimis, I give and bequeath to Mary my beloved wife the Bed whereon I use to ly, with all the appurtenances and furniture belonging thereto. Moreover I give to my son Thomas ffrench my cloak and close-coat. ing to my order unto my son Ephraim French as y^e remaining part of his portion (which summe of twenty pounds is almost all paid, and the remainder due upon demand), I say my Will is that those my two sonns Thomas and Samuel shall possesse and enjoy the said Pequod lands, and division-plot of marsh to themselves and to their heirs forever, to be equally divided betwixt them.

“ffurthermore, I give and bequeath to my sonn Thomas French my dwelling house and homested with all the appurtenances and priviledges therof and belonging thereto, and also my Lot lying in Labour-in-vain fields containing twelve acres more or less; with all the rest of my cattell, stocke of all sorts and moveable goods (not disposed of by this my Will and testament:) and to my son Samuel I give and bequeath two acres of upland joyning to Joseph Quilter’s and two acres of meadow-ground at Reedy marsh; to be possessed by them respectiuey after my decease: Provided always and my Will is, that my son Thomas French doe give full and free libertie to Mary my wife his mother to abide and dwell in the said house and to make use of any room or rooms therof for her convenient accommodation therein; as likewise to make use of all or any such moveables as I doe now leave in the hands of my son Thomas (not disposed of:) as may be necessary and convenient for her use and occasions from time to time; and all these during the term of her natural life: and that after her decease my son Thomas shall deliver to my three children John, Sam^l. and Mary three of the biggest pewter dishes which shall then be left and remain, that is to say, to each of them, one. Provided also, and my will is, that my two sons Thomas and Samuel doe carefully provide for their mothers comfortable maintenance and livelyhood and what is requisit thereto during her natural life; each of them allowing thereto proportionally to that part of my Estate which shall be by them received by vertue of this my testam^t. And if through any neglect or failure, this way of maintenance should not be to their mother’s satisfaction and content, my Will is, y^t those my two sonns Thomas and Samuel shall allow to their mother ten pounds yeerly: nine pounds thereof to be paid by Thomas and twenty shillings by Samuel, in such pay as shall be suitable and necessary for her comfortable maintenance and livelyhood: And further, if it shall please God to exercise her with much prevailing weakness or continuing sickness that the

aforesaid ten pounds should not suffice to defray the charges of her expences; my Will is, that (over and aboue y^e ten pounds, and according to the like rate of proportion) those my two sons Thomas and Samuel shall supply her with necessaries suitable as her condition may require, y^t she be not exposed to suffering for want of what ought and might be procured for her. Also my Will is, that my Lot in Labour-in-vain fields, and the two acres of meadow at Reedy Marsh shall stand bound respectively to my said wife during her natural life as securitie for the true pformance of this my Will as respecting her maintenance by my two Sonns; and after her decease, the said lands (except what shall bee alienated (if any so be) by means of the securitie aforesaid) to remain to each of those my Sonns, and to their heirs for ever as is before mentioned and declared. And lastly, I doe name, appoint, and constitute my son Thomas French to be the sole Executo^r. of this my last will & testament."

And wheras there is no convenient house to live in and a necessity of building a new one before she can have a comfortable habitation and therefore humbly conceives that it may be judged rationally, that at least that stock of cattell wch is given to my son Joseph may be laid out in building a house, seeing he is likely to possess it and also that she may be repaid or allowed what may be thought fitt for what she shall be necessitated to lay out according to the worth of it when he shall posses the house and land, or any other that shall be heire to it and also that she may have a sufficient settelment in it during her naturall life."

There being presented to this court an inventory of the estate of Joseph Muzy, with a writing said to be his last will, wherein Hester relict of said Muzzy was appointed executrix, and she refusing to accept thereof, the court granted her power of administration, and ordered that the widow have possession and use of the whole estate during her life for her support and bringing up the children and paying the just debts, and after her death, the lands, being valued at 110li. to revert to the children. Joseph Muzey being the eldest son to have a double share, and the rest of the land to be equally divided between Benjamin and Mary Muzey; if the widow shall survive all the children, the next heir to inherit said land, paying unto said Hester or her heirs, the full value of such buildings as shall be built by her for her necessary use.
